

## Commitment to Standards in Fundraising Practice

ACET is fully committed to achieving the standards contained within the *Statement of Guiding Principles for Fundraising*.

The Statement exists to:

- Improve fundraising practice
- Promote high levels of accountability and transparency by organisations fundraising from the public
- Provide clarity and assurances to donors and prospective donors about the organisations they support.

We, ACET, have considered the Statement and believe we meet the standards it sets out.

ACET's report on our fundraising activities are available in our annual reports.

We welcome your feedback on our performance via any of the contact points provided below.
